

Directions:

1. Cut each piece along the outside thick black line.
2. Fold Arms on dotted line. Glue halves together. Curl fingers down into claws.
3. Fold Head along the creases. Glue tabs in place. Glue one blue circle to other blue circle.
4. Glue beak to Face. Fold tips of beak toward center.
5. Fold Body along creases. Glue tabs in place.
6. Insert Arms into slots on sides of Body.
7. Glue Head to Body. Glue Tentacle tabs to inside of each body panel.
